After submitting your verification documents, you will need to fund your transfer from your bank account in China. In this guide, we'll show you how to make a bank transfer from your bank in China to Wise, with screenshots from the most commonly used banks in China. Learn more about from CNY transfers.

Payments are processed Monday to Thursday all day (except between 4pm and 8.30pm), Friday (until 4pm), and Sundays or last day of Chinese public holidays (after 8.30pm).

If you make a payment during non-operating hours, your bank might reject the payment.
